

RevSpring Lockbox

**Check payments and digital payments,
in one unified view.**

RevSpring Lockbox is RevSpring's integrated lockbox solution that brings mailed check payments into PersonaPay™. Payments are scanned, indexed, and processed, then funneled into a comprehensive remit file alongside other RevSpring payment activity—so posting, reconciliation, and reporting all run from one transparent view.

Benefits

Unified payment view

Check and digital payments in one transparent view of activity.

Faster, cleaner posting

Scanned payments carry account and amount detail into auto-posting.

Lower reconciliation effort

A consolidated remit file and clearer reporting workflow.

Improved cash flow visibility

Reconcile cash faster and uncover missed collection opportunities.

Reduced operational risk

HIPAA-aligned processing with a compliance-forward design.

Speed to value

Quick testing and implementation with no new infrastructure.

Features

Secure scanning and indexing

Check payments are scanned, indexed, and processed with account and amount detail captured.

Comprehensive remit file

Combines lockbox detail with other RevSpring payment channels in a single file.

Unified payment view

A transparent view of every payment RevSpring processes, check and digital alike.

Auto-posting and deposits

Patient account matching feeds an auto-posting path into your billing environment.

Reconciliation and reporting

One operational chain from receipt of payments through reconciliation and reporting.

Compliant processing

HIPAA-compliant handling that meets all relevant regulations.

Connects your lockbox, PersonaPay, billing system, and Disburse Provider Recon

Lockbox payments flow into PersonaPay alongside RevSpring digital payment activity, with patient account matching and an auto-posting path into your billing or EHR environment. Remit file format and delivery are agreed up front, and processing is HIPAA-compliant.

Pairing Lockbox with Disburse Provider Recon reconciles inbound patient payments and outbound disbursements together—a full 360-degree view of every dollar in and out.
